

Software Architect, Journeyman

Please send your resume and cover letter to jobs@mosaicatm.com

Mosaic ATM, located in the Northern Virginia / Washington, DC Metro area, is seeking talented full-time Software Architect, Journeyman, to add to our great team. We're looking for people who are passionate about software architecture, and just as passionate about being part of a great team. **This position can be in office, hybrid, or fully remote.**

Are you a seasoned professional with experience leading teams to solve complex system problems? Do you like working with other professionals to design modernized, efficient and scalable solutions? Are you an independent learner and a motivated self-starter who takes initiative to produce great results? If so, read on...

What you'll be doing:

- Provides architectural and big picture oversight for development of new or enhanced products.
- Articulates the architectural vision, conceptualizes and experiments with alternative architectural approaches, creates models and component and interface specification documents, and validates the architecture against requirements and assumptions.
- Work with various product developers, product managers, and customer application experts to create software products containing required features and modifications.
- Provide technical advice to other departments within the organization, and may be responsible for integrating components built by product developers.
- May lead a team of planning analysts responsible for research and technical assistance for a user group.
- Works without supervision on highly complex projects.
- Wide latitude for independent judgment.
- Highly-skilled with extensive proficiency.

What you'll need to bring to this job:

- Education: BS, Experience: 5-9 Years, MS 3-7, PHD 0-4, HS 9-13
- Excellent problem-solving skills
- Strong communication skills both verbal and written
- Flexibility to move between projects
- Responsible, Self-motivated, and innovative
- U.S. citizen or otherwise fully authorized to work in the U.S

Here's what WE bring to the table:

- Great people: Work with some of the best and brightest people in the industry
- Awesome benefits: Standard benefits like health, dental, and vision insurance, 401k plan, and paid vacation.
- Plus, some unique stuff like paid overtime, local telecommuting, and profit sharing
- Relaxed office environment: Relaxed atmosphere, jeans are the norm, flexible scheduling
- Amazing company: Competitive salaries with annual compensation reviews, generous bonuses, good morale with fun teambuilding events
